**PUBLIC GROUNDS, BUILDINGS & RECREATION COMMITTEE MEETING MINUTES  
JUNE 29, 2022**

Present: Committee members Mark Getsay, chair; Dennis Sullivan and Nick Nunnari.

Also present: Council President Dave Greenspan; Councilmembers Duane Van Dyke and Amy Havelka; Recreation Director Paula Horner; Law Director Mike Maloney (arrived at 6:30); Finance Director Prashant Shah (arrived at 6:30).

The meeting convened at 6:16 p.m.

**I. Discuss the proposed offering of 500 non-resident memberships to the Westlake Recreation Center.**

Recreation Director Horner reviewed the current and historical membership statistics and related financial information. The recreation center operations have seen a decrease in membership over the last several years. She also reviewed the various membership programs currently in effect.

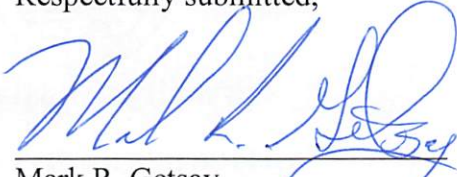

Recently, the Recreation Commission recommended a new program to permit up to 500 non-residential members. This program would work similarly to the family and friends program but would not require a sponsor. The new program would also be restricted to individuals and families residing in a community without a public recreation center. This program would not include access to the aquatic center at Clague Park.

Committee and Councilmembers in attendance asked various questions related to the need, operation and specific requirements of the program. Concern was expressed related to permitting additional non-residents to use the center and the need for this program. In addition, there was concern that this program would only be permitted for one year, and membership under this program would not currently be renewable.

Councilmember Sullivan moved, seconded by Councilmember Nunnari, to recommend approval of offering 500 non-resident memberships to the Westlake Recreation Center. Motion carried, 2 yeas, 1 nay (Sullivan).

The meeting adjourned at 6:52 p.m.

Respectfully submitted,

---
