**PLANNING, ZONING, LEGISLATIVE COMMITTEE MEETING MINUTES
OCTOBER 13, 2022**

Present: Committee members Nick Nunnari and Duane Van Dyke.

Also present: Council President Dave Greenspan; Councilmembers Mike O'Donnell, Amy Havelka and Mark Getsay; Law Director Mike Maloney; Police Chief Kevin Bielozer; Service Director Paul Quinn; Deputy Service Director Chris Stuhm; and Purchasing Director Larry Surber.

The meeting convened at 8:00 p.m.

I. Discuss a snow parking ban on city streets.

Service Director Quinn and Deputy Director Stuhm explained the issues their department has during snow and ice events and the hazards the snow plow drivers encounter on the roads which negatively impact the efficiency and quality of their service to the residents. Cars parked on roads become blocked in and sometimes impede the job of clearing the snow from the streets, especially in subdivisions and on cul-de-sacs. There are also safety hazards such as not being able to see children and even adults because of snow mounds and large vehicles. It was noted that most surrounding communities have a 2-inch snow parking ban, and most people comply. Committee and Councilmembers present asked about how the residents would be informed if it were implemented, the notification process and transition period, signage, enforcement, etc. The consensus was that it would be beneficial.

Councilmember Nunnari moved, seconded by Councilmember Van Dyke, to recommend to Council that legislation be drafted relative to this request. Motion carried, 2 yeas, 0 nays.

Meeting adjourned at 8:27 p.m.

Respectfully submitted,

Nick C. Nunnari
