**SAFETY, UTILITIES COMMITTEE MEETING MINUTES
NOVEMBER 29, 2022**

Present: Committee members Nick Nunnari, chair; Dennis Sullivan and Amy Havelka.

Also present: Council President Dave Greenspan; Councilmembers Mike O'Donnell and Mark Getsay; Law Director Mike Maloney.

The meeting was called to order at 6:45 p.m.

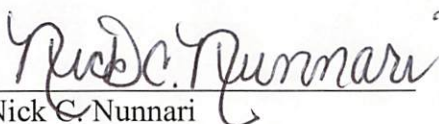

I. Discuss Ordinance No. 2022-114, supplementing various sections of Chapter 333 as to willful and wanton misconduct while operating a vehicle.

Law Director Maloney explained that these amendments enhance the penalty for slightly more dangerous conduct that creates a risk of serious physical harm to persons or property making it a misdemeanor of the first degree. This would make it possible for charges to include jail time and a \$1,000 fine. He had conferred with Police Chief Bielozer and Captain Vogel who are both supportive of this ordinance. Committee members and other Councilmembers present were also supportive.

Councilmember Sullivan moved, seconded by Councilmember Havelka, that Ordinance No. 2022-114 be adopted. Motion carried, 3 yeas, 0 nays.

The meeting was adjourned at 6:52 p.m.

Respectfully submitted,

Nick C. Nunnari
Chair

Denise L. Rosenbaum, MMC
